

# Family Fishing Events 2013

Sponsored by the Nebraska Game and Parks Commission, events will be held at venues across the state. Look for the Family Fishing Trailer where loaner rods and reels, bait and fishing instruction are available free to participants. This is the perfect opportunity for people of all ages who have never been fishing or haven't fished for years to learn. All participants ages 16 or older need a 2013 fishing license ([OutdoorNebraska.org](http://OutdoorNebraska.org) for permits). For the calendar of additional events and detailed information visit [FamilyFishing.OutdoorNebraska.gov](http://FamilyFishing.OutdoorNebraska.gov)
